Safety Data Sheet

Section 1: Chemical Product and Company Identification		
Product Name: Cacao Absolute	Product Use: Personal Care Formulations	
Company Name: RainShadow Labs	Company Address: 300 Port Ave, St. Helens, OR 97051, USA	
Non-Emergency Telephone Number: (503) 366-3413	Emergency Telephone Number: RainShadow Labs (503) 366-3413	
Section 2: Hazards Identification		
Health: Slightly hazardous. Flammability: Will ignite if moderately heated. Reactivity: Stable and not reactive with water.		
Section 3: Composition/Ingredient Information		
Name	CAS#	% by Weight
Cacao Absolute	8002-31-1	100%
Section 4: First Aid Measures		
Inhalation: Supply fresh air and be sure to call for a Doctor. Eye Contact: Flush eyes with copious amounts of water for 15 minutes. If symptoms persist, consult a Doctor. Skin Contact: Remove contaminated clothing. Wash affected area with mild soap and water. If irritation continues, consult a Doctor. Ingestion: Seek immediate medical advice.		
Section 5: Fire and Explosion Data		
Flash Point: 212° F Extinguishing Media: CO2-Yes FOAM-Yes DRY-Yes Dot Classification: Combustible Liquid Stability: Stable Fire Fighting: Use Self Contained Breathing Apparatus and protective clothing. If closed drums or containers are exposed to fire but not burning, cool with water. If flames are present, see, "Extinguishing Media," above. Unusual Fire Hazard: Will react with oxidizing agents and generate heat. Avoid association with oxidizing agents. Hazardous Combustible Decomposition Products: Burning produces Carbon Monoxide, Carbon Dioxide, Acrid smoke, and fumes.		
Section 6: Accidental Release Measures		
Eliminate sources of ignition. Wipe up small spills with cloth or mop with soap and water. Absorb larger spills with nonflammable absorbent materials, sand, sawdust, or similar porous material. Send for recovery or disposal in suitable receptacles.		
Section 7: Handling and Storage		
Keep in closed containers. Keep from heat, flame, and strong oxidizing agents. Since materials may be used for flavoring or fragrance agents, quality is best preserved by cool storage (Below 80° F), under inert gas (N2) headspace.

Section 8: Exposure Controls/Personal Protection
Respiratory: Use suitable respiratory protective device in case of insufficient ventilation. Ventilation: Local exhaust or mechanical ventilation should be designed to prevent excessive breathing of vapors. Skin: Wear rubber or plastic gloves. Eyes: Wear splash goggles. Other: Have eye baths, safety showers, and aprons on hand. Pumps and/or electrical ventilating fans should have explosion proofed motors.
Section 9: Physical and Chemical Properties
Color & Odor: Pasty dark brown, chocolate odor. Water Solubility: Insoluble.
Section 10: Stability and Reactivity Data
Reactivity Stable and not reactive with water.
Section 11: Toxicological Information
Health Hazard: May be an eye/skin irritant in any form. Skin sensitizer- repeated contact may cause allergic dermatitis. Symptoms: Redness of skin. Primary Entry Routes: Skin contact.
Section 12: Ecological Information
No Data Available
Section 13: Disposal Considerations
Waste Disposal: Waste must be disposed of in accordance with federal, state and local environmental control regulations.
Section 14: Transport Information
No Data Available
Section 15: Other Regulatory Information
No Data Available
Section 16: Other Information
This information is provided for documentation purposes only. The complete range of conditions or methods of use are beyond our control therefore we do not assume any responsibility and expressly disclaim any liability for any use of this product. Information contained herein is believed to be true and accurate however, all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state, and local laws and local regulations remains the responsibility of the user. This safety sheet cannot cover all possible situations which the user may experience during processing. Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary. All health and safety information contained in this bulletin should be provided to your employees or customers.
